### Cubs 14, Braves 6.

Boston, Aug. 15.—Chicago batted three Boston pitchers hard today, easily winning their last game here this season 14 to 6. Strand, who pitched the ninth inning for Boston was the only man to keep Chicago from reaching first base.

Lavender held Boston to five hits but his wildness caused him to be relieved in the eighth by Cheney, although the Cubs were eight runs ahead at the time. Sailer's hits drove in four of Chicago's runs.

### Fourteen Inning Tie.

Brooklyn, Aug. 15.—Pittsburgh's farewell appearance for the season here today produced a 14 inning tie game with Brooklyn, darkness ending hostilities with the score 3 to 2.

It was a battle of wits after the Pirates tied the game in the ninth, both managers ordering their pitchers to walk dangerous batters several times in the pinches. Men were left on bases in each of the last five innings Pittsburgh having three bases full in the fourteenth. In that inning Wagner and J. Miller were passed intentionally with Byrne on third and two out. Rucker then fanned Wilson. Dahlen brought all of his right handed batters into the game without success. In the ninth with the score tied, two men on bases and one out, Clark sent Hyatt, a left handed batter to the plate whereupon Allen was substituted for Ragan. Clark then replaced Hyatt with Butler, a right handed hitter but the side was retired. Brooklyn used four pitchers and Pittsburgh two.

The locals jumped into the lead, scoring two runs off Robinson in the first inning on a pass to Moran, Cutshaw's single, an error by Viox and

Daubert's force. Daubert singled in the fourth, stole second, went to third on Simon's wild throw and scored on Fisher's hit. Cooper relieved Robinson in the eleventh after Hendrix went in as a pinch hitter and fanned. Pittsburgh got two runs in the sixth on a scratch hit by Viox, J. Miller's triple and O. Miller's miff on the throw to the plate.

Wagner tied the game in the ninth on a base on balls, J. Miller's out and Wilson's single.

### White Sox Defeats Yankees.

Chicago, Aug. 15.—President Comiskey's fifty-fifth birthday was celebrated today when his team, the Chicago White Sox defeated New York Yankees 3 to 2. An error by Peckinpah of Chase's grounder was partly responsible for the defeat on the visitors. Lord had tripled in the opening inning, Peckinpah fumbled Chase's grounder and Lord scored. Bodie followed with a Texas leaguer in right and Chase scored from first, making a beautiful slide around Catcher Sweeney who attempted to catch him at the plate. The winning run was made when Chappell the high priced outfielder, singled, stole second, went to third on Lord's out and crossed the plate on a hit by Chase. The easterners started a belated rally in the ninth after two men were out, scoring two runs, on singles by Williams and Sweeney and a triple by Caldwell.

### Quakers 3, Reds 2.

Philadelphia, Aug. 15.—Philadelphia made a clean sweep of the series of three games with Cincinnati by winning today, the score being three to two in eleven innings. The home team scored the winning tally on infield singles by Lobert and Magee; Cravath's being hit by pitched ball.

Philadelphia, Aug. 15.—New York made let three straight from St. Louis today, the champions winning the last home game of the season with St. Louis by 6 to 1. Fromme and McLean, the old Cincinnati battery, worked their first full game together in New York uniforms and the Cardinals made only four hits off Fromme.

Wingo's home run into the grandstand in the third inning saved St. Louis from a shutout. Perritt, the St. Louis pitcher was easy in the first inning when the champions scored their four runs on a pass to Burns, an error by Huggins, singles by Shafer who was forced out at second by Fletcher, Herzog and Mer-

kle. He then pitched effectively until the eighth inning when Fromme's double and Shafer's home run netted the champions two more runs. Shafer's batting and Wingo's throwing to bases featured the game.

Johnson, the Indian twirler who was missing from Cincinnati's camp for two days, returned today and told Manager Tinker he had suffered an attack of illness while visiting friends. Johnson held Philadelphia down to three hits in eight innings. One of them, however, was a home run by Pasckert in the first inning, which kept the home team in the lead until the ninth, as Brennan pitched shut-out ball, up to that point.

In the ninth the visitors filled the bases on two singles and a pass with one out. Clarke went to the plate to bat for Johnson. Before a ball was pitched, Alexander took Brennan's place and Bates went in to bat for Clarke. A force out and two passes squeezed in two runs. Philadelphia tied the score in its half of the ninth on a double by Lobert, Magee and Cravath's double.

### Johnson's Twelfth Victory.

Detroit, Aug. 15.—Walter Johnson, Washington's mighty pitcher, made baseball history today when his team defeated Detroit nine to seven. It was his twelfth consecutive victory, this season's record in the major leagues. Earlier in the season he won 11 games before being beaten.

Today was the fifth time he opposed Detroit this year. On each occasion he was returned the winner. With Johnson pitching in invincible form, Detroit had not the slight-

est chance of victory. With his club holding a six run lead when the seventh inning was completed, Manager Griffith replaced Johnson with Gallia. Then the trouble commenced—

for Washington. After holding the Tigers scoreless in the eighth, the youngsters went to pieces in the final inning, Detroit making five runs before rescue pitchers stopped them. Johnson never extended himself while he worked. Washington found Pal and Lake for four runs in the first inning and the only real disturbances occurring while Johnson was twirling was Lake's home run in the third and Cobb's triple, scoring Bauman in the sixth. Cobb was robbed of a fourth hit by a wonderful one-hand pick-up and throw by Foster.

### Red Sox 2, Browns 1.

St. Louis, Aug. 15.—Moseley and Hall were most invincible this afternoon while Weidman was hit opportunely. Boston making it two straight from St. Louis, score two to one.

Shotton was the only player who could hit the visiting pitchers, getting a single off each, and scoring the locals lone run when Moseley walked three successive batters. Gardner's single and a double by Yerkes in the second inning gave Boston their first run. In the eighth inning Yerkes got his second double and tallied on Nunamaker's sacrifice fly after Jarvin had sacrificed him to third base.

In the ninth inning after two were out, Speaker ran to the centerfield fence for Williams' drive which looked like a sure home run.

### GAMES GO TO SALT LAKE

Two letters containing news of much importance to Salt Lake baseball fans are on their way to Salt Lake. One is from Manager John McCloskey and the other is from Dr. C. P. Hareville, who is with the club in the dual capacity of club physician and secretary.

The letters should tell all about the arrangements that have been made or which are pending for the transfer of games scheduled in the northern cities to Salt Lake. A brief telegram from McCloskey received yesterday was to the effect that an arrangement had been signed by himself and Jack Flannery, president of the Helena club, for the transfer of the Helena series beginning Monday, September 1, with two games on that day, which is Labor Day. The telegram also said that President Mulroney had approved the transfer.

It now remains to arrange the details connected with the transfer of the Great Falls series. Telegrams from the north indicate that the Great Falls directors look with favor upon the transfer plan, and the next few days should bring some definite news on the subject.

It is quite likely that at least three of the games with Ogden, the closing set of the league schedule, will be played in Salt Lake. If all goes well, therefore, Salt Lake should have approximately three weeks of good ball before the baseball year passes into history.

### "POP" GEERS WEARS CROWN OF DRIVERS

New York, Aug. 16.—Each year light harness enthusiasts look for some younger driver to wrest the crown from Ed "Pop" Geers which he has worn so long that the memory of man runneth not to the con-

trary. But at the end of the campaign it is generally evident that the old man is still on top with the majority of wins.

"Pop" is the most prominent of the great reinsmen who go out after the rich awards of the various Grand Circuit meetings, and it would surprise no one if Geers cashed in on the majority of the honors of the Michigan State Fair meeting.

The Grand Old Man of the trotting world employs a system all his own in fitting himself and his stables for the big line campaign. No other noted driver uses quite the same methods as "Pop" does, but the history of the games would indicate that the old gentleman has the right dope.

After the close of each season, "Pop" goes almost immediately to his employer's farm near Memphis, and after a brief rest he gives his next year's candidates a stiff workout. This he keeps up for a matter of two months or so, only working with horses worth working with.

Then he takes a look over his absolutely green material. Always there are some future sensations among the new ones. With the most practiced eye in the world he separates the "likely" from the counterfeits and proceeds to put them through a rigorous exercise according to his own methods.

By the first of the year he has a pretty good line on his young state nominees. This is about the time that horsemen turn their eyes toward Memphis to see what new sensations "Pop" has dug up. They can hardly wait until they see the Old Master swing around the turn and bring home another great trotter.

"Pop" will have the pick of the harness world to compete against at this year's Michigan fair, as the rich stakes have attracted America's best. ### CONNIE MACK.

The famous leader of the Athletics, the only Cornelius Mack, is hailed as the luckiest manager in the business. Whether it is luck or not, the fact remains that Connie has secured some fine players for a comparatively small sum. Schang is only one of the many players on the Athletic team that Connie secured through luck, or is there such a thing as a baseball intuition? If there is, Connie has it.
